# Concerns, Motions and Priority topics

1. Clear, proportional and inclusive model of Board election process ensuring that interests of all regions are well presented in the same way as it has already been implemented for all chambers
2. Governments engagement models and ways of possible cooperation with FSC  
(e.g. A memorandum of understanding (MoU))
2. A special focus on increasing participation of **SOCIAL** and environmental chamber members
2. Wider use of geographical information systems (GIS) in FM certification mapping of MUs and HCVs
2. (Motion 04/2020) Strengthening the Network by enhancing membership engagement in regional offices
2. (Motion 12/2020) Improvement of International Board election model
2. (Motion 14/2020) Calibration of national FSC-standards
2. (Motion 15/2020) Sustainable intensification
2. (Motion 18/2020) Withdrawal of motion 65\_2014 and elaboration of effective forest protection measures
2. (Motion 22/2020) Widening the landscape approach to encompass diverse woodland ecosystems and create new forest-related solutions for integrating different land uses
2. (Motion 32/2020) Strengthening of FSC office in Siberia and it's partial subordinating to Asia-Pacific region
