

## 2021 FSC MEMBERSHIP ACTIVITIES OVERVIEW

This calendar provides an overview of the Membership Coordination Team’s key dates and events where member participation is strongly encouraged and crucial for its success. It also shows activities happening at an organization-wide level that might be interesting for members. You can refer to the legend below to identify the nature of those events presented here. For the Motion Discussion webinars, we ask you to save the date in your calendars; specific details will come before each scheduled webinar.

This calendar will be updated weekly, and you can find the latest version at [members.fsc.org](https://members.fsc.org). We encourage you to look at it regularly to keep abreast of all upcoming events.
