Subject: Results of the 2025 Election for seven FSC Board Members

The FSC Secretariat on behalf of the FSC Board of Directors held elections for seven seats of the FSC International Board of Directors.

On 07 November 2024, the call for nominations was issued by the FSC Secretariat. The voting period opened on 16 July 2025 and closed on 20 August, later extending the period until 27 August 2025.

On 12 September 2025, the electoral committee met in Bonn, Germany, to register and count the votes. Minutes of the proceedings were documented by an independent lawyer. The results of the 2025 FSC International Board of Directors elections are as follows:

The elected members of the FSC International Board of Directors will assume office 01 January 2026.

In Annex 1 we present the complete results of the 2025 elections to the FSC Board of Directors, including the votes for all candidates as they were cast for each chamber.

In accordance with Clause 19th of the FSC statutes (downloadable [here](#)), the voting power for the elections has been distributed equally between the three chambers of FSC, and inside each chamber the voting power has been distributed equally between the two sub-chambers. Based on these calculations, each vote of a member, individual or organizational, has been assigned a value, and the election results shown in Annex 1 reflect the total value of the votes cast.

In Annex 2 we are including an overview over the current Board and their terms.

We thank all members for their participation in the elections and extend a warm welcome to our new and re-elected Board members and thank them for their commitment to support FSC. We wish to thank all candidates and the electoral committee for their participation and support in the election.
